

Board Refuses To Provide Fund For County Buildings

Two Members Oppose Plan To Start Survey Of Proposal

NEVADA CITY—Nevada County's public building program received a serious setback at Thursday's meeting of the Nevada County Board of Supervisors when a motion to transfer \$6500 for preliminary study received a 3-2 vote but less than the 4-1 necessary for transfer of the money from the unappropriated reserve to the special auditing fund.

Supervisors J. C. Coughlan of District 3 and Guy Robinson of District 4 voted negatively on the motion put by Supervisor Loehr of Truckee.

The motion followed an explanation by Malcolm (Bud) Mau, Sacramento architect associated with the firm of Barnum and Mau. Mau said an extensive study and preliminary planning would involve:

- (1) Consideration of a new county building for the Truckee area;
- (2) A new county building near the courthouse in Nevada City to house county offices and
- (3) Developing of plans on what to do with the existing jail.

The architect said that the plans could be prepared for a fee of \$6,500, or two per cent of the estimated construction cost, if some other firm or organization took over the project from that point. If they were retained for the full project, their fee would be the normal eight per cent permitted architects.

Supervisor Loehr said he favored entering into an agreement with Barnum and Mau and "the sooner the better." His motion received the approval of himself, Supervisor Mosco Smart of Nevada City and Chairman W. W. Bishop of Grass Valley.

The 3-2 vote ended the current plans for acquisition of additional housing. Supervisor Robinson said that he wanted more time to study building considerations. Mau suggested that the board develop their preliminary plans before sites acquisition as possibly the sites would not work in well with what the board had in mind for construction.

Organization May Place Donner Mark

From Nevada City comes the report that directors of the William Stewart Chapter of E. Clampus Vitus will hold an initiation in Truckee and put a plaque near the site on Alder Creek where the ill-fated Donner brothers, George and Jacob had their camp in 1846.

Harold A. Berliner, head of the chapter's ritualistic team, said the site of the crude cabins, marked now only by two dead tree stumps, should be designated before the site is lost.

The main camp of the tragic Donner party was on the shores of Donner Lake and is marked by a towering monument and other plaques.

However, the place where the Donner families suffered and died has been neglected shamefully and the historians are anxious that the spot be permanently marked.

Homer Croy, internationally known writer and historian, visiting this region a few years ago, deplored the lack of a suitable marker to designate the site of Donner camp and urged the local chamber of commerce or some other civic group to take immediate action. Fortunately, the Nevada City group has seen the need and will provide the plaque.

MEMBERS INITIATED BY RAINBOW GIRLS

Hope Assembly No. 18, Order of Rainbow for Girls last Monday initiated Marlea Draney, Patsy Jensen, Janice Simmons, Pamela Clarke, Suzanne Sciutto and Marcella Mayer. Kathy Barker affiliated from Reno Assembly No. 1.

The decorations for the evening were carried out in May Day theme with May poles and May baskets decorating the hall. The refreshments included a large cake from the Tahoe City Bakery with the names of each new member written under the heading "Welcome." A good time was enjoyed by all attending.

BIRTHDAY PARTY IS HELD FOR JOY FRATES

Games, a decorated cake topped with eight candles and other refreshments added up to a pleasant afternoon, April 21 for Joy, daughter of Mr. and Mrs. Edward Frates and several young friends who celebrated her birthday anniversary.

Mrs. Henry Loehr assisted the hostess. Those attending the party included Jeanie and Ben King, Joyce Smart, David and Terry Higgins, Diane Rose, Rod McCallen, Henry and Bob Frates.

Fly South— John McGlade was a weekend business visitor at Los Angeles.

Work Slated To Be Started This Week On Prosser Dam

Construction was scheduled to start this week on the Prosser Creek dam, according to an announcement by the R. A. Heintz Construction Company of Portland, Oregon, the successful bidder for the project.

The dam will be about one half mile east of the Prosser Creek Bridge on State Highway 89, four miles northeast of Truckee.

Bureau of reclamation officials said the primary purposes of the dam will be flood control and enhancement of fishing conditions on the Truckee River.

The 970 acre reservoir also is expected to be used for recreation purposes similar to the nearby Boca Reservoir. The dam will cost \$2,181,000 and the total project cost will be \$5,900,000.

The contract for clearing the reservoir hite has been awarded to Heim Brothers of Walnut Creek for \$5,750. Bids for the clearing work ranged as high as \$96,250.

Ten Are Honored At CSF Meeting

By SHERRY THATCHER

The 1960 initiation of new members into the California Scholarship Federation honored ten Tahoe Truckee students last Wednesday, at dignified ceremonies held in the new wing of the high school.

Students receiving their torch pins for "Scholarship and Service," admitting them to novitiate membership were: Linda Davis, John Holley, JoAnn O'Connor, Wanda Shirley and John Stephani.

Five students were eligible for C. S. F. Life Membership pins, having been members of C. S. F. for four semesters during their time in high school, one semester in their senior year: Judy Beck, Judy Fanger, Larry Jellin, Linda Morrell and Sherry Thatcher. These five will also receive the gold seal of C. S. F. on their high school diplomas and on their college transcripts.

Guests at the ceremony were: C. W. Sciutto, principal, members of the faculty Mrs. E. Stewart, Mr. N. Dewhurst, A. Baumgardner, J. Bol, E. Goodrich and Miss Debbie Bradley, a senior.

After the ceremonies, members and guests enjoyed punch and cake served in the home economics room.

SPEAKER AT TAHOE URGES ONE UTILITY

Jack Leggett, executive officer of the Lahontan Regional Water Pollution Board, told a meeting of officials and residents of the Tahoe City area Monday that formation of a single county sanitary district at the north end of the lake should be encouraged to replace what he called a "hodgepodge of very small districts which can't get enough money to dispose of sewage properly."

Leggett's suggestion was seconded by Cecil Edmunds, Nevada County representative on the California-Nevada Interstate Compact Commission and C. W. Vernon, manager of the Tahoe City Public Utility District.

The meeting was called by the county water agency to hear testimony on a proposed interstate contract to allocate water of the Lake Tahoe drainage basin and the Truckee, Walker and Carson rivers.

Kenneth M. Walker of the state department of water resources, was the main speaker at the meet held at Tahoe City.

BUILDING PERMITS ARE AVAILABLE HERE

Through the efforts of Supervisor H. G. Loehr and County Assessor Charles Kitts, local builders need no longer travel to Nevada City to obtain building permits.

At the last meeting of the board of supervisors Kitts was authorized to deputize Richard Walker, area sanitarian, for the purpose of issuing permits. These required documents may now be secured from Walker at his office here.

TAHOE WEATHER

TAHOE CITY—Three and a half inches of snow with 22 of an inch of precipitation, was recorded at Tahoe City during the weekend as the weather remains unseasonably cool. The temperature has varied from a low of 17 to a high of 41. With all gates closed, the level of the lake Monday was recorded at 6225.95 feet, subject to revision.

Many Are Injured As Snow Blamed For Local Mishaps

Nine Hospitalized As Cars Collide On Icy Highways

Snow-covered, icy highways in this area were blamed for a number of accidents during the weekend, the California Highway Patrol reported.

Although there were many minor mishaps, only four resulted in injuries. Most seriously injured was Loretta Little, 15, Marysville, who was hurt when a car driven by Lewis T. Daniels, 19, was wrecked just east of Soda Springs Sunday at 3:55 p. m.

Daniels, who was cited for making a bad pass and being on the wrong side of the highway told the investigating officer he was attempting to pass a truck load of cars when another vehicle loomed in front of him. He ran his car into the rocks beside the road to avoid a head on collision.

Less seriously injured were the driver, Alva DeLuier, 14, and Kathryn Powell, 14, all of Marysville. The injured were taken to Tahoe Forest Hospital by Truckee Ambulance.

OTHER ACCIDENTS

Eloise Cirac, 38, Sacramento, was injured Saturday morning shortly after 8 when cars driven by Charles A. Cirac and Frank F. Petzold of Reno collided headon just west of Donner Summit. Petzold was cited for making an unsafe pass and Cirac for having an expired driver's license.

Paul A. Curtis and Evelyn Curtis of Tahoe City were taken to the hospital Saturday at 11:30 p. m. when the truck he was driving skidded and plunged off Highway 89 three miles south of Tahoe City.

Edward and Agnes Pound of Sacramento were hospitalized when their car ran off the highway near Donner Monument at 8:30 a. m. Saturday and rolled down the embankment. Pound told officers his car skidded on the ice and he lost control.

CHURCH IS PLANNING SERIES OF MEETINGS

The Church of the Mountains, Truckee is planning a series of meetings to define the church's role in the community, nation and world. These meetings will be held on Thursdays, May 5 and 19, and June 2 at 8 p. m. at the church. This program will be concluded on Sunday, June 5 with Rev. Willard Rand presiding. He is program counselor for the California-Nevada Conference of the Methodist Church.

Other meetings will be attended by George Burcham of Grass Valley, Rev. Joseph Pritchard of Fallon, Nevada, and Rev. Earl Langguth of Kings Beach. These meetings are open and the whole community is invited to participate. The chairman for the meetings is Victor McLane.

WOMEN'S GROUP TO SEAT NEW OFFICERS

A musical at 8 will be followed by installation of WSCS officers Wednesday evening, May 4 at the Church of the Mountains.

Organ, piano, voice and violin numbers will make up the program. Mary Lou Langguth, Ruth Miesner and Joy Plunkett from Kings Beach will join with the following local talent: Anita Allison, Winifred Edmunds, Voleta Mason, Clarine Saarni and Laura Wilson. All women and their friends are cordially invited to attend.

JEFF JELLIN FETED AT BIRTHDAY PARTY

Tuesday afternoon Jeffery Jellin was feted by his parents, Mr. and Mrs. Walter Jellin at a party attended by school friends.

The group enjoyed games and refreshments, dividing their time at the family's home at Donner Lake and in the Donner State Park. Nine candles on the special cake indicated the new age for the young honoree.

AT STATE PARK

Otis Lyons, formerly of Folsom Lake State Park has replaced John McConne at Tahoe State Park as park supervisor. The latter has been transferred to the Sacramento, Colusa River State Park.

Senior Class Heads Honor Roll With 15 At High School

Seniors topped the honor roll at the Tahoe Truckee High School for the third quarter of the current year when 15 were listed by Principal C. W. Sciutto. The juniors were in second place with 11 listed while the freshmen totaled five and the sophomores four.

Seniors on the honor roll are Carl Bailey, Doug Ball, Judith Beck, Richard Brown, Lydia Craig, Judy Fanger, Diane Speeter, Larry Jellin, Peggy Hubbard, Linda Morrell, Janay Pelletier, Larry Rolison, Sherry Thatcher, Michael Terkildsen and Joan Uhlott.

Junior honor students are Donna Barnes, Moria Burke, JoAnn O'Connor, Linda Davis, JoAnn Pomin, Varian Frey, Kathy Gerlitz, Cynthia Reynolds, Tim Riden, Gary Sciutto and Wanda Shirley.

The sophomores: Carol Hampton, Marcia Keeler, Pat Raikes and Francie McGwinn.

The freshmen: Craig Beck, Albert Eberhardt, Janice Roth and Pat Saarni.

Fire Razes Storage Building At Mill

Fire Friday afternoon destroyed a large fuel storage building at the Burney Lumber Company mill in the east end of town.

The fire had gained considerable headway before it was noticed and it taxed the members of the Truckee Volunteer Fire Department to keep the flames confined to the one building, the mill proper being only a few feet distant.

Fire trucks from Donner Lake and Kings Beach were summoned and scores of volunteers gathered as the flames threatened to leap to other structures in the high wind.

The estimate of the loss was not immediately learned but the building contained a number of conveyors and other machinery.

A considerable loss was incurred at the Burney mill last fall when fire destroyed thousands of feet of cut lumber and logs piled in the yards. Sidney Topol is owner of the mill.

FIRE FLARES

A flareup of the embers at the Burney Lumber Company yard Tuesday at 3:30 a. m. brought out the fire department but no damage was done.

FOUR BABIES BORN AT LOCAL HOSPITAL

Four new citizens arrived at the Tahoe Forest Hospital last week. Laraine Anne Richards, weighing six pounds, 7 1/4 ounces was born to Mr. and Mrs. Spencer Richards of Truckee at 3 a. m. April 21.

Mr. and Mrs. Joseph Garcia of Truckee are parents of Joseph, Jr., six pounds, two ounces, who arrived at 7 a. m. April 22.

Mr. and Mrs. Allan West of Soda Springs became the parents of a son born April 23 who was given the names of Michael Edwin. His first weight was 6 pounds, 8 1/2 ounces.

Mr. and Mrs. Louis Haas of Tahoe City welcomed their son on April 23 and named him William Nick. The new arrival weighed in at 7 pounds, 9 1/2 ounces.

MARILLAC TO BAY TO VISIT WITH DeGAULLE

Joe Marillac, director of the Squaw Valley Ski School, left for San Francisco to visit with General DeGaulle on his stopover there. This will be a get-together of old friends from the French underground during World War II. Marillac lives and works permanently in Squaw Valley and is one of the full time ski instructors and sport shop operators in this area.

ICE HOCKEY TESTS AT ARENA ARE STARTED

The Lake Tahoe Ice Hockey Association is practicing at Blyth Arena at Squaw Valley Monday and Thursday evenings, starting at 9 p. m.

Rolf Funk, president of the group, may be contacted by anyone interested from 15 years old and over, by calling JUNiper 3-3360.

Visit Daughter—

Mrs. J. T. Smith of Tahoe City returned from an airplane trip to Louisiana where she visited their daughter's family.

Money Allocated By State For Road Work On Shortcut

\$390,000 Is State's Share In Repairing Balance Of Highway

The California Highway Commission yesterday allocated \$390,000 as the state's share of realigning and surfacing five miles of the Brockway shortcut in Placer County, Capitol News Service reported.

The improvement will extend from 6 of a mile to 5.6 miles northwest of State Sign Route 28 at Kings Beach. The county and federal government will share in the total cost on the FAS project.

Completion of the project and the one in Nevada County, the bid for which will be awarded soon, will provide an improved road between Truckee and Lake Tahoe via the shortcut.

King Rearrested In Fatal Accident

Frank Wayne King, 33, former Truckee resident now residing in Sacramento again faces an involuntary manslaughter charge growing out of the death last November 25 of Miss Darlene Ward of San Francisco in a traffic accident near Donner Lake.

Charges originally filed against King were dismissed when witnesses failed to put him behind the wheel of a car which was involved in the fatal crash.

He was again arrested last week and released under \$1,000 bond to await a preliminary hearing before Judge F. W. Wilson in the Truckee Judicial District Court. New evidence is reported to have been unearthed which led District Attorney Harold Berliner to order holding the suspect.

EXAM IS CALLED TO EMPLOY VALLEY AID

Ralph Pile of the California Department of Employment at Auburn announced this week that an examination will be held May 14 for the position of intermediate stenographer at Squaw Valley.

People interested in taking the examination must first take a typing proficiency test, to be given by a representative of the department Friday, April 29 at Squaw Valley.

Dates for filing applications at Auburn are April 26 through 29 and May 2, 3, 4, 5, and 9. On May 2 and 9 representatives from Auburn will be at the old elementary school at Truckee from 9 to 2:30, when applicants may also file here.

WOMEN'S CLUB WILL HOLD PARTY MAY 2

Members and guests of the North Tahoe Women's Club are invited to a brunch followed by cards at the residence of Mrs. L. E. Streep, Wood Vista, on Monday, May 2, at 11 a. m.

Hostesses assisting Mrs. Streep for this event will be Mrs. Thomas Sutton, Mrs. John Rayburn, Mrs. Andy Sorensen and Mrs. Willis Mizner. For reservations call Liberty 6-3839.

FUNERAL RITES FOR EARL GREGG HELD

Funeral services were held at Sacramento for Earl Gregg, 56 who had been employed by the Southern Pacific Company for 41 years. Cremation followed. Survivors include his wife, Iota, a son, Jack Gregg of Brockway, Lake Tahoe, brothers and a sister.

The deceased was the foreman of the SP shop and a member of the International Footprint Association. He was a native of San Francisco.

LOST BOOK DRIVE AT SCHOOL IS SLATED

A book drive will be held throughout the local school district to collect lost or misplaced school text and library books, Janay Pelletier, publicity chairman announced.

The drive will be held from May 4 through May 13 and a collection box will be placed conveniently in each school. Donations of suitable books will be appreciated.

Trout Season Will Open Saturday In Streams Of Area

With the trout fishing season opening in this district Saturday morning, prospects are bright for some excellent catches.

While much depends upon the weather warming up, Bill Fordham, vice president of the Truckee Outdoor Sportsmen, said he had made an inspection of the streams in the area and found all of them in "good" shape. There is not too much water and in nearly all cases the streams are clear.

While bait fishing during the opening days will predominate, the clear water would indicate fly fishing may bring good results.

Both Donner and Prosser Creeks are high but clear and should offer excellent fishing during the opening period.

In the meantime, Donner Lake is producing some good catches and as the water warms it is expected to improve. Tahoe too, has been producing some big catches.

Ellen Rich Named President Of GAA

By SHERRY THATCHER

Members of the Girls Athletic Association and their families attended the annual G. A. A. banquet held in the cafeteria of the Tahoe Truckee High School, Thursday, April 21.

Has Birthday— Doug Ball of Tahoe City observed his 18th birthday last week.

Chamber Protests Division of Town In Census Taking

Johnson Is Asked To Aid In Providing Fair Area Count

Steps now being taken by the Truckee Donner Chamber of Commerce may prevent the community of Truckee from being cut in half by the current population census.

The way it now stands, Truckee will be counted as a community from the east end of town to the Tahoe Forest Hospital, giving a figure which will approximate 900, but which leaves out two of the principal residential areas.

The Gateway Park and Meadow Park areas, where a large percentage of local residents reside, will be put into another district, under present plans, according to Phillip Willard of Grass Valley, head enumerator for this district. Willard said he had attempted to have two populated residential areas included in the Truckee count without success.

PARTLY FINISHED

Currently Mrs. Kenneth Hedlund, local enumerator, has completed her count of the people in Truckee proper and has come up with a figure of approximately 900. Mrs. William Cannon of Soda Springs has been assigned the territory from Bowman Lake on State Route 20 to the Tahoe Forest Hospital and this week was winding up her work in the Gateway area.

Lee Apple, president of the chamber of commerce said he has communicated with Ford Marshall, regional enumerator at Roseville in an effort to have the Truckee boundaries changed so that a true picture of the population will be had.

It has been proposed that fair boundaries for Truckee be from Donner Monument on the west to the eastern extremity of town and from Prosser Creek to Martis Creek, north and south.

CONTACT JOHNSON

Congressman Harold T. Johnson was contacted in Washington this week and advised the chamber that he would take steps immediately to see what could be done to bring about a suitable solution. This was done after Marshall said he was powerless to make any changes in the proposed boundary.

SKI INSTRUCTORS IN SQUAW VALLEY MEET

The 1960 spring convention of the Far West Ski Instructors was held this week at Squaw Valley. There were some 200 instructors and guests and 70 candidates for certification.

Certification means a thorough testing of skiing and teaching ability and is considered a rough test as it maintains the high standards of teaching created by the FWSIA through years of research and study.

Head of the examining board is Chairman Lutz Aynedter, school director at Edelweiss and an architect at south Tahoe. Assisting him is the board of the association comprising President Doug Pfeiffer, Secretary Eddie Scheider and Treasurer Bob Law.

Assisting in the examinations are such teachers as Joe Marillac and Tom Tomlinson of Squaw Valley, Lee Yip of Donner Ski Ranch, Junior Bonous of Sugar Bowl. The board of ethics consists of Edvi Aard and John Johansen of Soda Springs.

Attending the meeting were Mr. and Mrs. Bud Zorich, Mr. and Mrs. Norman Saylor and Dick Reid all of the summit area.

KARL KIELHOFER IS ON UTILITY BOARD

The governing board of the Truckee Public Utility District meeting Tuesday night appointed Karl Kielhofer, well known local man, to replace Dave Rose who recently resigned as a board member. Kielhofer will take office at the next meeting.

The board will hold a special meeting in the office of the district Friday May 6 to discuss the district's water system with T. H. McGuire & Son, engineers and surveyors.

The public is invited to attend the meeting.

MRS. MOREY IS FETED WITH DINNER PARTY

Mrs. Daven Morey was the guest of honor at a dinner party held Friday evening in a Reno hotel, following her announcement last week of her resignation from the position as head nurse of Tahoe Forest Hospital.

A gift was presented to Mrs. Morey in behalf of members of the hospital staff and other associates who attended the pleasant affair.

RETAIN NAME

At a meeting of the Donner Lake Resorts Tuesday night, it was decided to retain the present name for the time being at least. The next meeting will be held May 10 and final plans for ending the fish derby on May 15 will be discussed. Ivan Toftt presided at the meeting.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — Al-
most every general election, it ap-
pears, state legislators dream up
some new gimmick to wangle
themselves all the expense money
they think the traffic will bear,
they must go to the people via the

constitution to get a raise in salary.
Legislators at the present time
draw \$500 per month, or \$6,000
per year. Thus, an assemblyman
elected for a two-year term is good
for a take of \$12,000, and a state
senator elected for a four-year
term receives \$24,000, in salary
alone.

Considering most of the legisla-
tors give up considerable to come
to Sacramento and represent their
districts, this probably is not
enough salary. The people will
decide that in November when the
vote on an amendment that raises
the legislative pay to \$9,000 an-

nually.
Thus, a two-year assembly term
would be valued at \$18,000, and
a four-year senate term at \$36,-
000.

Every time salary increases for
legislators are discussed, however,
it brings up the age-old question
of whether it is better for the
state to keep salaries low, and at-
tract men of substantial means to
the job, these men to serve, of
course, as a civic duty without re-
gard to the financial rewards
available.

On the other side of the coin,
of course, is the contention that
if such a practice were followed,
guardianship of the state would
fall into the hands of the rich for
the creation of a wealthy oli-
garchy.

Thus, there appear to be plenty
of arguments on both sides of the
coin. A majority of the state's
legislators have created a Citizens
Advisory Committee, which will
help pass the legislative salary in-
crease at the next election.

One member of the committee
is the head of the state's most
powerful lobbying organization,
the California Teachers Associa-
tion. This is Robert McKay, who
introduces and gets resolutions
passed by the committee favoring
the salary increase for legislators.
There is little reason why McKay
should not be for salary increases,
as one of the principal objectives
of his organization is more salary
for California teachers. Thus, his
promotion of more money for leg-
islators could win many friends for
teacher salary increases, as recip-
rocal back-scratching is one of
the finer points of lobbying.

The committee met recently, to
discuss several problems which
had nothing to do with salary
raises or expense accounts. But
the discussions never got beyond
those two subjects, which weren't
even on the agenda.

Assemblyman Richard Hanna,
chairman of the powerful rules
committee, suggested the cut be
made, but that legislators be
granted mileage for all driving
done in their districts, and be al-
lowed one round trip home every
month during the time and legis-
lature is in session! Less money,
but more miles, and bigger ex-
pense checks!

It is questionable, of course, just
how strong the people are going
to go for the proposed salary raise
this year. The public may have
forgotten the state income tax
raise by November, but not quite.

California produced 225,000
pounds of beeswax in 1958, valued
at \$443,000.

Tomatoes accounted for 22.8 per-
cent of the total value of Cali-
fornia's 1959 vegetable crop.

Old Man Winter gave frivolous spring the razz last week, but we can't kick because it snowed. The final week of the ski season needed snow for the toboggan competition tourney of the ski patrols from northern California and Nevada at Sky Tavern. The need for these volunteers to keep in shape is seen in the 550 ski accidents hospitalized in Truckee and 175 in Washoe Medical Center during the past winter.

The first cultural activity to convene at Squaw Valley public recreational area will be the North Central Pilgrim Fellowship of Northern California Congregational Conference sponsored by the Federated Church of Reno. The group asked for the Nevada building, but officials said the water was turned off so they'll hold in the California building.

Mrs. Helen Chappellet of Tahoe City is out of the hospital in Reno

after a ski accident.

A million dollar cooperative apartment development for year-round living is scheduled for Tahoe. Called Tahola, and located a scant half mile north of Tahoe City at the intersection of Highway 28 and Terrace Road, plans and developments are being handled by Kenneth Hack, administrator. Construction is expected to start around July 1.

The Ray Kettenhofens of Chambers Lodge enjoyed a holiday vacation visiting friends and relatives in the south, which included the pleasure of meeting their brand new granddaughter, Carol, recently arrived at the home of their eldest son, Nick and his wife, who live in Santa Barbara. Ray will manage Chambers Lodge this season and realtor Max Hoff of Homewood is the broker for the Chamberlands subdivision. It was good to hear that Dave Kettenhofen has taken on a fire buff's job of restoring the handsome old fire wagons once so proudly kept and used by the late Dave Chambers. Young Dave Kettenhofen spent last weekend in San Francisco with Ed Hampton who is on leave from the navy and will be stationed in Texas.

An important luncheon meeting

date for the Tahoe Women's Club will be held May 5 at the Chicken House. The nominating committee, Mrs. Cross, Mrs. Brown and Mrs. Smith will present the slate of new officers to be voted on. The meeting will also mark the annual memorial service for departed members conducted by Mrs. Charles Henriksen. It is hoped all members will attend. Call in reservations early to Mrs. Geier or Mrs. Snyder. Delegates and members attending the three-day Sutter District convention at Tahoe Sands were President E. LePire, Mesdames A. A. Snyder, Phil Geier, B. Wilt, S. Korich, C. Henriksen, P. Curtis, B. McMahon, E. Guth and A. Martin.

An Easter Sunday wedding in Reno climaxed a whirlwind romance of only a few weeks for Margaret Harrison and Richard L. Weeks, III. The couple met at Squaw Valley, where the bridegroom is a ski instructor, and plan to make their home in the Sierra.

When this appears, anglers will have but two days left to obtain 1960 licenses if they intend to be out fishing April 30, opening day of the season on trout in central and northern California. For trout fishing the angler must have a \$3 basic license and two \$1 stamps,

obtainable at any sporting goods store.

Frank Daft was too busy rushing Debbie, Kimberly and Theresa around to the doctor on Easter to get to any Easter egg hunts. All's well now, happily.

The Howard Smiths, formerly of Homewood, are now engaged in the motel business in Palm Desert.

Little Karen Cowan of Tahoma, not quite two, romped off with the prize purple Easter egg at the hunt for pre-school children in Kings Beach.

The Donald Bells and children have departed from Tahoma for Bainbridge Island, Washington, where Don will work in the shipyards.

The Sherman Tuttle of Tahoma are spending some time in San Francisco.

Fire Chief Al Henry and Jean attended the California Fire Chief's convention at Bakersfield, combining business with pleasure on a brief vacation.

The Tahoe Area Council of Boy Scouts has scheduled its fifth annual Scout-O-Rama, a major fund drive and scouting exhibition, May 7 on the fairgrounds at Auburn. Showings of the activities will be held from 2 to 5, and 7 to 9 by Scout groups from Placer and adjacent counties. Approximately 50 booths will be shown.

Mr. and Mrs. Bob Trimm of Los Angeles and Mr. and Mrs. Bud Keeney of Glendale have purchased the lakefront home of Mrs. Mary Johnson, Tahoma. Mrs. Keeney is a granddaughter of the Miller Lake family who once lived in the area. Mr. Keeney is a professional photographer.

Mr. and Mrs. George Williamson, former motel owners at Tahoma, and now operating Crystal Bay Motel, are off on a jet jaunt to Hawaii, their first vacation in a long time.

Marie Henry of Tahoe City en-

joyed a leisurely motor trip to the south where she attended the state convention of the U. S. Air Force Association in Santa Monica. Marie is an honorary life member of the association in recognition of her faithful service in the ground services observation corps during the war. Marie visited family and friends en route, including Judge Evelyn Bliss who sends greetings to her Tahoe friends.

Chalking up birthdays in April were Kathy Van Wetter of Squaw Valley; Irene Duffee, who now lives in Sacramento; Randy Pomin; Red (A. M.) Anderson; Floyd Carnell; Fern Schleuter and Hans Hanson of Rubicon. Anniversary chimes rang out for Lillian and Harold Farr.

The Queen of the Snows parish luncheon benefit, sponsored by the Corpus Christi Guild was held April 18, at Tahoe Inn. The Guild is busy with plans for the May Day Procession at which the children's choir will sing. New soloist with the choir is Mrs. Al Gardner of Pineland. Mrs. Maizie Carnell is choirmaster and Mrs. Pete Vanni, organist.

A permit to build a pier at Rubicon Bay just south of the mouth of Lonely Gulch Creek, El Dorado County, has been made to the U. S. Army Corp of Engineers by Courtney J. Catron of Reno.

The 200-acre area at Dollar Point near Carnelian Bay, being developed by John Cheney, president of Sierra Land Development Co., of Stockton is planned as a special district which will provide police and fire protection, parks and recreation, road maintenance, lighting, sewage disposal and library services for homes to be constructed there and has received preliminary county approval.

Last week was Bicycle Safety Week across the nation, a special observance annually sponsored by local Optimists Clubs to stress safety riding techniques in the community and its responsibility to help reduce the accident rate.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL
KINDERGARTEN: The kinder-

garten is studying about firemen. Those working on this project in particular are: Kathy Klockman, Curt Stumbo, Mike Rich, Suzanne Plunkett, Danny Porath, Sonny Woods, Steve Wright, Susan Astle, David Ratto and Terry Raikes.

FIRST GRADE: In science we

have been studying about spring. We have a new girl, Becky Martin who came here from Florida. We now have 33 first graders in our class and eight in Mrs. Corbin's room.

SECOND GRADE: This week, Mrs. Wing has been having conferences with our parents. So far she has conferred with Mrs. Dick Fisher, Mrs. Dorothy Beck, Mr. and Mrs. Tom Hoffman, Mrs. Alice R. McDonald, Mrs. Rose Lee Elliott, Mrs. Vivian Carrara and Mrs. Marian Johnson.

Tuesday, Mrs. Dorothy Lane visited our classroom. She observed a reading session. Mrs. Lane is a rural supervisor and is from the county superintendent of schools office in Auburn.

Our new second grader is La Vonne Trembley. She came to us from Anchorage, Alaska. We are happy to have her in our class.

THIRD GRADE: This week our transportation unit went into "Highways, Then and Now," and we studied about early automobiles. Tommy Gregg brought pictures of an early mail delivery truck and a taxicab of 1908.

Chris Hoover moved back to Sacramento. We shall miss her.

DONNER TRAIL SCHOOL
PRIMARY NEWS: The Easter party the primary students of the Donner Trail School planned and gave themselves April 12 was very successful. Each student made an Easter Bonnet which they entered in the hat parade contest. Gayle Payne was awarded first place, Steven Del Carlo second and Christine Monroe third. The students invited their younger brothers and sisters to join in the Easter egg hunt for eggs they had colored. The guests attending were Diane Mason, Karen Madden, Sharon Payne and John Del Carlo.

UPPER GRADE NEWS: The snow has finally melted from the playground so we are now able to begin our spring baseball season. We will soon be planning more school dances which we discontinued during the winter months.

TAHOE LAKE SCHOOL
FIRST GRADE: Top spellers who received stars on this week's tests were: Steven Henriksen, Jackie Ghormley, Yvonne Baker, Bonnie Nyberg, Carl Rukhala, Marlene Lisle, Steven Cross, Michelle Legras, Paula Henriksen, Sherry Freeland, Julia Gehlert, David Thomson, Bob Zehm and Lanny Karcher.

Printing stars went to: Paul Corona, Delwayne Matthews, Yvonne Baker, Carl Rukhala, Steven Cross, Julie Howard, Sherry Freeland, David Thomson, Deborah Fitts, Jackie Ghormley, Bonnie Nyberg, Marlene Lisle, Michelle Legras, Billy Moyer, Julia Gehlert,

We are pleased to announce a new schedule of additional services for the ensuing months. Each Sunday evening at 6 o'clock Pastor Rhoades will present a course entitled "Successful Teaching" which is produced in film strip by Moody Bible Institute. This is one of the most valuable teaching aids put out in recent years and any in the community that might be interested in such a time of study are invited. The regular Sunday evening service of praise and prayer and short devotional will follow at 7.

The series "Pathways to Power" will continue with a sermon asking the question "What is the Christian Life?" The text is found in Galatians 2:20. Holy Communion will be served.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.

Everyone Welcome

Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
God's infinite mercy and goodness will be brought out at Christian Science services Sunday.
One of the selections to be read from the Bible in the Lesson-Sermon on "Everlasting Punishment" is the following from Psalms (130): "Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plentiful redemption."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (329:29): "The pardon of divine mercy is the destruction of error."

The Golden Text is from Psalms (86:5): "Thou, Lord, art good, and ready to forgive; and plenteous in mercy unto all them that call upon thee."

The sermon topic: "Answer to Marx."
This Sunday is May day; once a delightful school festival, it has now become overshadowed as the day of celebration of world communism.

What right has the church to talk about communism? Isn't this a political problem? Or a military one? To the contrary, communism as we see it in the world today is a religion, just as much as Confucianism or Buddhism is a religion. More than this, it is a religious judgment upon us—as Christians. And the weapons which we need to fight it are not military, nor political, nor even simply economic—they are religious.

Lincoln. These sketches made by the following people will be displayed at open house: Janet Phillips, Rosemary Wray, Rael Lee Grann, Holly Wall, Karinda Stark, Kathy Coster, Bonnie English, Dick Pomin, John Cannell, Jon Caulkett, Daniel Sprague and Tom Stephani. Georgianne Luffy wrote the cover-all story for the display, outlining the life of Lincoln.

SIXTH GRADE: This week was the big social studies week with complete review of all South America with very extensive reports being prepared by ten different groups covering individual countries.

Two new students this week, Jill Lyons and Harvey Hopkins. Two students left however, Jeff Sutton and John Bell, so our total number still rests at 40.

SEVENTH GRADE: On the most recent social studies test, results were promising. Those receiving A's were: Katie Schweiger, Julie Mockaitis, Eddie Hoff, Susan Stephani and Randa Fugere. The newspaper put out by the class has

gone over quite well.

TRUCKEE ELEMENTARY KINDERGARTEN: We have finished our woodwork projects and are just about ready for our Parent's Night. We hope they will all come.

FIRST GRADE: We want to thank Mrs. Horman, Mrs. Houlgate, Mrs. Grow and Mrs. Stone for assisting at our Easter party. We had a very nice party. Also, we wish to thank Mrs. Lee Apple for showing us the interesting movies on zoo animals and the Olympics.

Top students in arithmetic this week are: Debbie Jellin, Joan Apple, Janet Corro, Donna Horman, Peggy White, Catherine Craig, Gary Stone, Sharon Ford and Maria Acosta.

THIRD GRADE: In our forty word review spelling lesson this week, "outstandings" were received by Maryann Atkinson, Tammie Richards, Liz Richards, Terry Higgins, Anna Maria Collier, Larry Juliot, Curtis Melugin, Curt Wurst, Steve Silverli, Joe Merica, Bruce Leamon and George Franceschini.

Special reports were made by Jeff Jellin, Anna Maria Collier and Terry Higgins.

FOURTH AND FIFTH GRADE:

DONNER DOINGS

By VIRGINIA O'BEAR

Mrs. Richard Walker has recovered from her recent illness and has returned to her work at the Bank of America. Now that she is well and strong I expect to see her and Dick out on the lake in that brand new beautiful boat they bought last week.

Mrs. Eve Hallet is now a resident of Donner Lake and lives in one of Lester Johnsons new duplexes. Eve had surgery on her foot and for several weeks has been unable to get around. She is walking now with the aid of a crutch so I imagine she will be back to work soon at her Truckee Public Utility job. Welcome to Donner Lake, Eve.

We have a lot of new neighbors moving in at Donner Lake. I haven't been able to meet them yet but I intend to the first opportunity I have and then I'll let you know who they are so you can help welcome them to our community in case you haven't already. A lot of summer residents are here early this year and there are lights on across the lake which makes me feel that summer is just about here despite the snow we got this week.

Have you gotten your burning permit yet? It is very important to have one for burning trash and it might be a good idea to remind your new neighbor and also be sure to give her the telephone number of our Donner Lake Volunteer Fire Department. It is LUther 7-3331.

Many people at Donner Lake are celebrating their birthdays this month. Dick Walker and Chuck Baker celebrated on the eighth, Eleanor Capel had a birthday on the second, Lillian Garr celebrated the sixth and Clarice Richards celebrated hers this month. Happy birthday to all of you and to the rest with April birthdays that I haven't heard about.

We have a new little permanent resident now at Donner Lake. She is the brand new daughter of Mr. and Mrs. Spencer Richards. She

Quarterly finals in spelling found Beverly Holleman, Gail Englehart, Garry Lynn Stewart, Cheryl Comola, Dennis Richards and Craig Mullis earning A grades.

Fourth graders—Nancy Randol, Pam Horman, Rod Farley and Bob Weihe earned A's in an addition-subtraction test.

On a surprise memory drill, Dennis Richards, Gail Englehart, Beverly Holleman and Dianne Huse led the field of fifth graders.

Fourth graders scoring 90 percent or higher on a multiplication-division basic fact test were Rod Farley, Nancy Randol, Marta Drewrey, Pam Horman, Judy Ingalls and David Higgins.

Fourth graders, Mike Brumley, Judy Ingalls, Pam Horman, Marta Drewrey and Nancy Randol scored 90 percent or higher on quarter spelling final.

Actors in the play "House on Haunted Hill" were Bobby Weihe, Cheryl Comola, Garry Lynn Stewart, Cam Houlgate, Bill Waters, Jerry Neugebauer and Pam Horman.

FIFTH GRADE: After a very difficult German test it became apparent that the top German scholars in the fifth grade were: Terry Richards, Tim McLane, Sue Olano and John Atkinson. Modern art seems to be the rage now with the fifth grade art class although not exactly Raphaels or Picassos, nevertheless some of the ertwhile future impressionists have proved that even youngsters can do a good job at this phase of art. Terry Richards, Tim McLane and John Atkinson, Sue Olano and Jack Melugin lead the way in this department.

ANNUAL CONVENTION OF VETERANS WILL BE AT LAKE JUNE 9-11

CRYSTAL BAY: The 26th annual Department of Nevada convention, Veterans of Foreign Wars and its Auxiliary will be held at Crystal Bay, Lake Tahoe, June 9-11, with Lake Tahoe Post No. 7077 and Auxiliary as hosts. Convention headquarters will be the Cal-Neva Lodge, the Nevada Lodge and the Crystal Bay Club. Registration headquarters will be in the Crystal Room of the Crystal Bay Club.

Pearl Moore, Department of Nevada convention chairman for the Auxiliary states Mrs. Frances L. Millican, Palatka, Florida, national senior vice president of the Ladies Auxiliary to the Veterans of Foreign Wars, will represent the national organization at the Nevada convention.

Mrs. Millican was elected national senior vice president in September at the 46th annual convention in Los Angeles. She is a charter member of Auxiliary No. 3349, Palatka, Florida and has served in major elective and appointive posts on local, state and national levels.

Mrs. Millican's husband served with the marines in World War I and is a past commander of the Palatka Post. Mrs. Millican's son, Hugh Millican, was a marine paratrooper in World War II and wounded at Leyte. He also is a past commander of the Palatka Post. Mrs. Millican has been campaign chairman for various local, district and state chapters of the Red Cross, National Foundation, United Funds, Women's Club and other civic and church groups.

LICENSE

Dean Warren Holbrook, 19 and Hobina Kiser, 18, both of Tahoe City were issued a marriage license at Reno, Nevada.

arrived Thursday, April 21 and weighed in at six pounds, seven ounces. She has been named Lorraine Ann and was most welcome to sisters Terri, Tammie and Elizabeth, as well as her mom and dad.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met at the Church of the Mountains last Thursday night and a very delicious dinner was prepared by the Womens Society of Christian Service. The tables were beautifully decorated with white candles and carnations and president Jean Walker was presented with a carnation corsage. Thirty-eight ladies enjoyed the dinner and meeting. Hostesses for the evening were Fredna Smith, Skeen Benish and Anita Allison. Also giving a helping hand was Ozella Slate and all of these ladies worked hard for weeks making this meeting the most enjoyable one we have had for awhile.

Get busy ladies, you have just a few more days to get that box supper for two all fixed up and decorated for this Saturday night. It will be a very exciting evening for young and old so bring the babies and grandmas and grandpas and the great ones, too. All proceeds from this and the auction of the boxes will be used for the Donner Lake Volunteer Fire Department. Now men, if you are going fishing in the streams Saturday on opening day, leave early in the morning so you won't miss out on the box supper at 6:13 and the crowning of Miss Donner Lake. We need you men there to choose the most suitable one for the title and you have a job on your hands with nine beautiful girls in swim suits. Don't forget, Saturday night at the new Elementary School, on April 30.

TAHOE ROTARIANS PLAN FOR MEET IN RENO DURING MAY

TAHOE CITY: The April 19 dinner meeting of Tahoe City Rotary Club was devoted to "On To Reno" for the May 15-16 and 17 annual Rotary District Conference, the Donner Lake Queen Contest scheduled for Monday evening, April 30 at the Truckee Elementary School and, to hearing how two members happened to come to Tahoe City. Tony Donadio, program chairman, reported his planned program had failed him too late to arrange for another one.

Jay Shontz, the on to Reno chairman, reported a one-night stay for a club member and wife at club expense had been arranged for and a cocktail hour from 6 to 7 p. m. will be at the Reno home of club member Basil Kehoe. President Bill Becholdt urged that every member attend the conference for at least one day, even if they drive home at night.

On the Donner Lake Queen contest, President Bill also urged that every member attend and invite a neighbor and wife to bring a box supper that our entry, Miss Joanne Pomin, may be elected queen. She is the daughter of Mr. and Mrs. Joe Pomin of Tahoe Pines. If elected queen over eight other contestants, she will reign over Donner Lake activities for one year with the two runners-up as princesses and other six forming a royal court.

Don Reick told how he happened to come to Tahoe saying he had left Oregon because of a painter's strike, had gone to Sacramento, then to Reno where he had obtained employment at Tahoe City through an employment agency.

Bill Briner had spent most of his life in Auburn, and came to Tahoe and Squaw Valley to take up the photography business.

Twenty-eight members and two visiting Rotarians attended the meeting. The visitors were, Paul Mullis and Bill Martin of the North Tahoe Rotary Club.

BOAT OWNERS ARE WARNED ON NEW LAW

SACRAMENTO—(CNS) — California boat owners have been reminded that the new law which took effect April 1, requiring registration and payment of a \$5 fee for all boats, also requires filing of boating accident reports with the state Division of Small Craft

Harbors. Lachlan M. Richards, division chief, said forms for reporting accidents now are available at all sheriff's offices, many insurance companies and agents, and a number of boat landings.

All boating accidents on California waters resulting in death or injury to a person or property damage in excess of \$100, which occurred on or after April 1, must be reported to the division in Sacramento. Reports in death cases must be submitted within 48 hours and, in other cases, within five days. Failure to report as required is a misdemeanor and subject to fine or imprisonment, or both.

AN EAGER BEAVER

As a Candidate, offering my services in your behalf, I believe that the greatest compensation for the time and effort devoted to bringing about better County Government, should be the feeling of accomplishment and satisfaction in the doing of a good job for the people.

We all know of the tremendous growth taking place throughout our State, and, if Nevada County is to grow with it, we must Capitalize on our great Natural Resources, Advantages and Values. We have within our County boundaries one of the state's great potential Recreational areas, a Paradise of Boundless Beauty, dotted with Lakes and Streams. We should be putting forth greater efforts to attract more business and home seekers into our County.

In this, our County Board of Supervisors has an important part

to play in cooperation with established promotional agencies. As your Supervisor, I would be Ready, Eager and Willing to give all necessary time and effort to work with you at all times, and, within the prescribed lawful limits, would promise full County Cooperation and Support for any undertaking that would increase the Economy and Well Being of any part of our County.

PATROL WARNS ON
MAKING U-TURNS

"Don't make a U-turn at an intersection controlled by traffic signals unless there is a sign permitting such a turn."

Sergeant F. H. Snyder, officer-in-charge of the California Highway Patrol's Truckee Substation, issued this warning today, adding that an increasing number of motorists appear not to know the law dealing with U-turns.

"A U-turn may be made in a business district at an intersection that does not have traffic signals and there is no sign posted prohibiting such a turn," Snyder continued. "In a residential district, a U-turn may also be made between intersections if there are no cars approaching within 200 feet from either direction."

Snyder also noted three other places where it is illegal to make a U-turn. They are on a curve, near the crest of a grade where the car cannot be seen for 200 feet in either direction, and in front of a fire station.

"When you want to make a U-turn on a divided highway, do so only at openings provided for turns and never drive over or cross any dividing section, curb, or strip," he declared.

advised that all dogs over four months old must wear a 1960 Placer County dog license. Licenses must be obtained by June 1, or a penalty of \$4 will be added to the license fee of \$2. Licenses will not be issued without a valid rabies vaccination certificate. Placer County licenses may be obtained from Placer County tax collector and treasurer.

DONNER SUMMIT
NEWS

By DONNA I. POWER

END OF SEASON

This weekend at the Donner Summit the winter sports season came to a close as a foot of dry powder snow fell on most of the ski areas making the last days of skiing truly a skier's dream. The Donner Ski Ranch has been closed for some weeks because of a mud slide caused by the warm weather. The Sugar Bowl ski area climaxed its season with the running of the Silver Belt Trophy race which was first run in 1954, this time won by Starr Walton of Sacramento who had the winning women's time in 1957 also. Soda Springs area closed Wednesday, April 20 but opened again for the weekend. Soda Springs Hotel is remaining open as is Donner Summit Lodge in anticipation of the forthcoming spring and summer season.

COMMUNITY CLUB

The executive board of the Donner Community Club will hold a final planning meeting for Friday evening's bingo party and pot luck dinner Tuesday at the Kingsvale home of Mr. and Mrs. Gloria Reed. The board will also discuss the discontinued folk dances which were held earlier in the season. Funds collected from the bingo games will be donated to Truckee High School Parent Teacher Association to be used for the scholarship fund.

PUBLIC SCHOOLS WEEK

Marking the National Public Schools Week the Donner Trail School students and teachers have invited parents and friends to visit their classrooms Tuesday, Wednesday or Thursday and see the instruction. The classrooms will be open for visitors on Friday during the Community club party.

SUMMIT SIT

Hostess in the Kingsvale home to the ladies of the Summit Sit was Gloria Reed. Expressing sincere surprise and appreciation was Mrs. Norie Heckle who was honored with a gift shower in honor of her fourth baby, expected in May. Present to enjoy the delicious refreshments served were Mrs. Zona Madden, Mrs. Violeta Mason, Donna Power and Kate Zoll.

CONVENTION

A full house of guests at the Donner Summit Lodge April 23 and 24 were the 42 members of the California Association of School Administrators and Secondary School Administrators. The members of the group came from

WEATHER

It's pretty hard to describe the past week, a little sunshine, a lot of wind, with flurries of snow. Most of the early morning at 6 a. m. it has been 20 degrees. Too cold, we all agree. Winter coats the order of the day. But one thing we can be thankful for is daylight saving. Everyone seems to be thankful for that at

throughout California to discuss many of the problems concerning California schools.

TONSILS OUT

Mrs. Tom Burke of Donner Summit Lodge spent a portion of last week in the Tahoe Forest Hospital where Thursday she had her tonsils removed. She is expected home soon.

TEACHERS MEET

The teachers of the Tahoe Truckee Teachers Educational Association held their April meeting in the Truckee Elementary School last week. The prime order of business was the election of officers for the 1960-61 school year. Automatically filling the presidency for the organization is Virgil Mullis of the Truckee high school by virtue of his position as last year's vice president. A second automatic position is that of executive board vacancy which is filled by the outgoing president, James Reynolds of Tahoe Lake School. Wes Sauby of the Truckee Elementary School was elected to fill the position on the executive board by resigning James Licklider. Elected by secret ballot to the position of vice president was Mrs. Alysmae Schultz of Kings Beach School. Mrs. Winifred Scott of Truckee Elementary School as secretary and Paul Steinhauser of Tahoe Lake Elementary School as treasurer. The group plans a dinner these new officers at the close of the year's activities to be held in May at the Soda Springs Hotel.

WEATHER

The week's weather as reported by the facilities of the Central Sierra Snow Laboratory at Soda Springs, records 304.3 inches of snow falling during the season, 17.5 inches of this during the past week, bringing the depth on the ground to 36 inches. The week's maximum temperature was reached on the 20th and read 54 degrees, the temperature fell to 14 degrees on April 25.

STRIKES & SPARES

BY JOE WILMAN

OVER-ANXIOUSNESS
IS BAD ON
FINAL STEP

"Anxious Al" is another of my bowling friends whose mistakes can help us all.

He used to be so anxious to fire away at the pins that he rushed into his footwork without regard for his arm swing or his timing. The results were miserable, and Al now takes his time at the beginning of his approach.

But, sooner or later, Al's anxiousness takes over. Sometimes his footwork and arm swing are in perfect timing until the final step and slide. Then, a sudden lunge or leap at the foul line ruins all his good work up to that point.

At other times Al will snap his arm forward, forcing the arm swing and destroying the fine coordination between his feet and his arms.

The point I'd like to make is that while MOST rushing mistakes occur early in the approach, some of them DO occur on the final step. The answer to such a problem is to keep the rhythm of the footwork and arm swing combination THROUGHOUT the entire approach and delivery.

Don't let "Anxious Al's" bad habits creep into YOUR game. Natural speed in both footwork and arm swing is the answer. The result will be the smooth, polished delivery, shown in today's illustration with coordinated footwork and arm swing. (Copyright, 1960, by National Newspaper Syndicate)

COUNTY WILL SHARE IN VEHICLE LICENSES

SACRAMENTO—(CNS)—State Controller Alan Cranston announced today he has apportioned \$76,843,122—half to the 58 counties and half to the 363 cities—from motor vehicle license fees.

The apportionment was an advance distribution of 75 per cent of the estimated total of fees which the state will collect during the six-month period ending May 31.

Nevada County received \$72,181, as compared with \$71,428 for the same six-month period of 1959, ending May 31.

This month's apportionment is the second largest of three installment payments which the state will make to cities and counties out of the motor vehicle license revenues in the 1959-60 fiscal year.

MANY BICYCLISTS IN STATE ARE INJURED

Fifty-four bicyclists were killed and 3,450 were injured in traffic accidents in California last year, the California Highway Patrol disclosed. The death toll was 17 higher than the 1958 total.

"These figures become even more tragic when we realize that by far the majority of the victims were children under 15 years old," CHP Commissioner Bradford M. Crittenden declared.

The patrol official called the increase in bicyclist deaths evidence of the need for extra care by motorists when driving near schools or wherever youngsters are gathered.

"Thousands of school children have a better understanding of the need for safe bicycle riding through the patrol's special school pedestrian and bicycle safety programs," Crittenden continued. "But children, like adults, sometimes make mistakes and frequently only the alertness of the motorist prevents the mistake from being a fatal one."

The patrol's figures reveal that bicycle accidents killed 29 persons within cities and 25 in unincorporated areas. Five of those killed on rural roads were 55 years of age or older, of which two were past 75 years.

NOTICE OF HEARING VARIANCE FOR SIGN AGATE BAY

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Commission on Friday, May 13, 1960, and Friday, May 27, 1960, in the Supervisors' Room, Courthouse, Auburn, California, at the hour of 10:15 A. M. to consider the application of Alpine Lodge (Mr. and Mrs. H. Stiefeling) for a variance to extend a sign to the front property line. Said variance is requested on the basis of trees on the edge of the highway, obstructing the view of said sign if placed at the required 6' setback line. Said sign to be located on the following described property:

Portion of Lot 11, Agate Bay Subdivision, Lake Tahoe. At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

Wolverines Win First Season Game

By KRIS FELTE

The Tahoe Truckee Wolverines donned their hitting shoes to defeat the Portola Tigers with a decisive score of 17-5 for their first win of the 1960 season. The game was played on the Portola field on Wednesday afternoon, April 20.

The Wolverines made up the winning margin in the first inning by piling up nine runs on a total of three hits. Wood Ribal and Marty Kumble had the big blows of the outburst with a double and a triple respectively.

The Tigers fought pitchers frequently to overcome the Wolverine hitting attack. Ralph Van Drielen, who had pitched a no-hit, no run game the day before, held Tahoe Truckee down for three innings, allowing only three runs to cross the plate.

The Wolverines had a five run outburst in the top of the fifth inning which was sparked by Dan Chandler's bases-loaded triple.

Stanley Gould came in to relieve Greg Wainscoat in the fifth inning, and put out the fire with the bases loaded.

The game was called at the end of the fifth because of the time element. It had taken three hours to play the first five innings.

Sam Medford, who pitched the first three innings, was credited with the first win of his campaign. David Decker, playing the finest defensive game of his high school career, made a few spectacular catches which saved the Wolverines a number of runs.

The games between the Wolverines and the Reno Huskies and the Carson City Senators were called off, last weekend, on account of inclement weather. They will be played at a later date.

CORCORAN, WALTON WIN SILVER BELTS

Tom Corcoran of San Francisco and Starr Walton of Sacramento were winners in the annual Silver Belt trophy Race at Sugar Bowl Sunday, out-skied a field of 72 contestants in the mile and a quarter run down Mt. Lincoln.

Al Gibbon of Phoenix had a narrow escape when he out-skied a roaring snow slide which broke loose from a cornice soon after the race started. Hoping to out race the slide, the 42 year old Gibbon skied abreast of the avalanche on the opposite side of the ravine for 15 yards. He finally had to ski over it as the snow mass, with some of its fury spent, crossed over the course.

Corcoran ran the distance in 1:44.1 and was followed by Nando Pajorola of Switzerland and Charles Pozon of France. Jimmy Heuga of Tahoe was third.

Miss Walton was followed by Jolan Kozma of Mammoth and Dorothy Mercer of Lake Tahoe.

CANDIDATES FOR MISS DONNER LAKE ARE SELECTED

Candidates top row from left to right, and their sponsors, Valerie Mandeville, Lake Tahoe Felions; Joan Brown, Wyethia Club; Varen Frey, Truckee Donner Chamber of Commerce; Steffie Firpo, Truckee Lions Club; Bottom row, left to right, Jan Ambler, Truckee Rotary Club; Donna Barnes, Truckee Fireettes; Joanne Pomin, Tahoe City Rotary; Linda English, North Lake Tahoe Rotary; Shirlene Hansen, Donner Lake Resorts.

These young ladies will appear at an old fashioned box supper this Saturday evening at 6:13 at the new elementary school. One will be crowned Miss Donner Lake and will receive her crown from Miss Shirley Smith,

last year's winner. Two of the young ladies will be princesses and the remaining six will be the royal court. All nine participating in events for the coming year.

This event promises to be a lot of fun for the entire family. Each person gets one free ticket which entitles the holder to vote for the candidate of their choice. Each lady and teenage girl is to take a decorated box supper for two and it will be auctioned off to the highest bidder. Free coffee will be served by the Ladies Auxiliary and there will soft drinks and milk selling for 15 cents. Bring small children but be sure to bring a separate box of food for them which will not be actioned off.

(Photo by Virginia O'Beir)

Auctioneers for the evening will be Virgil Harris, Willie Curran, Reverend Symons and Father O'Neill. A short entertainment program will be scheduled during the evening but the highlight will be when the nine young ladies are interviewed in their summer frocks and then later each will be presented in their swim suits.

For an evening of something different and enjoyable for the whole family, attend this box social and queen coronation at 6:13 this Saturday night, April 30 at the new elementary school. All proceeds from the auction of the box suppers go for much needed equipment for the Donner Lake Volunteer Fire Department.

AWARDS ARE MADE BY SPORTSWRITERS

The Northern California and Nevada Sportswriters' Association meeting in San Francisco last week, selected Jimmy Heuga of Tahoe City as the outstanding male skier of the year and awarded the women's award to Linda Meyer.

A dual award for the outstanding contributors to skiing went to Alex Cushing of Squaw Valley and Prentice C. Hale of San Francisco. Willie Schaeffer was given a special award for outstanding contribution to the VIII Olympic Winter Games.

Bill Dunbar of the Oakland Tribune was named as the new president with Mel Corvin of the ABC radio as first vice president and Vi White of the Contra Costa Times, second vice president. Henry Mockel of Skiing Magazine was named secretary and Hal Roberts of the Peninsula Press, treasurer.

OLYMPIC GROUP ASKS DAMAGES IN ACTION

A damage suit was filed in Nevada County Superior Court by the Organizing Committee of the VIII Olympic Games at Squaw Valley against Angelini Bros. Garage and Tow Co., the Sierra Truck and Motor Co. et al.

The complaint charges negligence against the garage and tow company that caused considerable damage to a truck crane. It is charged that in towing the truck to the garage in Grass Valley, it was driven too fast, causing damage to transmission, engine, and clutch. Plaintiff demands \$5,472.72 for repairs to the crane plus \$2,000 for loss of its use while being repaired.

STANDARD FEES FOR PARKS ANNOUNCED

A standard day use park facility fee becomes effective in several California State Parks May 1. boat launching and boat trailer District Superintendent Clyde Newlin said that the 50 cent fee will be collected at 54 parks which provide developed facilities for day use. These include picnic facilities, rest rooms, parking areas, showers and such services as water and road patrols, life-guard, and fire protection.

The fee has been in effect in many of the 54 parks for several years, Superintendent Newlin said. It was recently suggested by the legislative analyst and the department of finance that the fees be placed on a standard basis so that park income would more adequately meet an expanding division budget.

At those parks where special boat launching and boat trailer parking facilities are provided, a 50 cent fee will be charged in addition to the standard day use facilities fee.

Among the 54 parks at which the regular day use park facility fee will be assessed are Tahoe, Donner Memorial, and D. L. Bliss.

MEDICAL AUXILIARY BENEFIT ON MAY 7TH

Plans are nearing completion for the buffet and dance being arranged for the evening of Saturday, May 7 in Baechi's Inn Lake Forest, sponsored by the members of the Women's Medical Auxiliary of Tahoe Forest Hospital.

The affair will open at 8:30 and has been arranged to swell the defibrillator fund for the benefit of the local community hospital.

Back At Lake—

Returning to Lake Tahoe for the season, during the chilly weather are George Roy of Tahoe City who has spent the winter at Arizona and Mr. and Mrs. William Haste have arrived at Tahoma from Gardena. The R. A. Ivey address has also changed this week from San Jose to Tahoma.

Back At Tahoe—

Mr. and Mrs. Dave Gaynor who have been in southern California for the winter, have returned to Tahoe City.

At Meet—

Mr. and Mrs. Lauren Russell were at Oroville last week where they attended an insurance company meet.

ASSOCIATION SEEKS BLOOD DONATIONS

H. V. Mockel, executive secretary of the Winter Sports Writers Association of Northern California and Nevada, is making an appeal to skiers and winter sports enthusiasts to help a member fill an obligation which is individually impossible.

The appeal is for 30 pints of blood which are still needed to replace the amount used by Bill Strickland, a member of the association at Soda Springs, who recently underwent a major open-heart operation during which 48 pints of blood were used.

In the first appeal, a scant dozen pints were contributed, and 30 more are needed to replace the amount donated by the veteran's hospital. Mockel says the blood should be volunteered to the account of Bill Strickland, Veterans Hospital, Minneapolis, Minn. Local blood banks can explain how the donations can be made and credited to Strickland.

Mockel paid high tribute to Strickland's contribution to winter sports in his appeal.

Mr. and Mrs. Fred Main who spent the winter at South Laguna are again at Tahoe City for the season.

POLITICAL ADVERTISEMENT

Loehr Was First Local Chairman

Until the election of the incumbent supervisor, H. G. Loehr 15 years ago, the eastern end of Nevada County had never had a chairman on the board of supervisors.

During the 15 years that he has served this portion of the county, Loehr has served six years as head of the board—a record achievement pointing out his capabilities as a public official worthy of continued support.

The mere fact that he served almost half of his incumbency as board chairman is not half as important that he gave his constituents the full benefit of his knowledge of the details demanded of a supervisor.

However, it is no small honor to have been selected on three different occasions by his colleagues to head up the important group. Loehr has earned the honor and has earned the right to ask for the continued support of the taxpayers and voters of his district. He is seeking your vote at the primary election on June 7th.
